Price Increase Announcement
WESTFORM METALS

Effective: January 18, 2027

Dear Valued Customer:

Westform Metals will implement a price increase of 10%, effective January 18, 2027, on all steel products.

This adjustment is necessary due to continued increases in raw material costs and ongoing changes in the Canadian steel market. Recent trade measures, import restrictions, and additional tariffs have placed significant pressure on steel supply and pricing throughout the industry.

All orders with the above products shipped on or after January 18, 2027, will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Ltd.
