Price Increase Announcement

AL13

Effective: July 1, 2018

Dear Valued Customer:

Due to increases in aluminum prices, as well as rising associated costs, AL13 will be implementing the following price increases:

- 5% increase on V-Line
- 6% increase on all panel system extrusions
- 0% increase on 3mm and 4mm panels (no current plan to increase prices)

The overall impact of these increases on the average AL13 panel system project cost will be less than 3%.

These increases are effective July 1, 2018. All orders with the above products shipped on or after July 1st will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
