Price Increase Announcement

AL13

Effective: Sept 1, 2018

Dear Valued Customer:

Due to extreme volatility in the raw materials market, as well as rising associated costs, AL13 will be implementing a 10% increase on its V-Line product line by 10%, effective Sept 1, 2018. AL13 is currently not planning any price increase on its 3mm and 4mm ACM panel system.

All orders with the above products shipped on or after Sept 1st, 2018 will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
