Price Increase Announcement

Bitumar

Effective: July 1, 2018

Dear Valued Customer:

Due to steadily increasing costs in both raw materials and freight, Bitumar will implement a price increase of 9% on all roofing asphalt products, effective July 1, 2018.

Please note that raw materials costs have been rising at a steady rate and Bitumar anticipates the possibility of additional price increases in the near future.

All orders with the above products shipped on or after July 1, 2018 will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
