Price Increase Announcement Carlisle – EPDM

Effective: April 2, 2018

Dear Valued Customer:

Raw material cost increases have significantly impacted the cost to produce EPDM membranes and accessories. As a result, Carlisle will implement a 4% price increase on all EPDM membranes, flashing products, and accessories effective April 2, 2018.

All orders with the above products shipped on or after April 2, 2018, will be invoiced at the new pricing level.

Price pages reflecting these changes will be sent to you shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.
