Price Increase Announcement OMG Roofing Products

Effective: July 1, 2018

Dear Valued Customer:

Due to extreme volatility in the steel and aluminum markets, OMG will implement a price increase, effective July 1, 2018, on the following products:

| | | | |
|----------------------------------|-----|--------------------------------|----|
| Drains and Drain Accessories | 7% | Steel Fasteners | 5% |
| Steel Insulation and Seam Plates | 18% | Steel/Aluminum Bar and Masonry | 5% |
| All ASAPs | 8% | Anchors | |

Steel insulation and seam plates will increase an additional 6% effective Sept 1, 2018. Additionally, if NAFTA exemptions on steel wire are allowed to expire on June 1st, then OMG will be forced to implement an additional price increase of 8%-10% on its steel fasteners, effective June 4, 2018. Please note that some products have already had price increases as of April 2, 2018, and these increases are cumulative. All orders with the above products shipped on or after their respective increase dates will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
