Price Increase Announcement Royal Building Products

Effective: July 6, 2018

Dear Valued Customer:

Due to the wide-spread industry impact of recent US government tariffs on aluminum, in addition to increases in freight, packaging, and labour costs, Royal Building Products will implement a price increase of 10%, effective July 6, 2018, on all Royal AlumiPro aluminum products.

Please note that this is in addition to the recent AlumiPro increase announced in May, effective June 8, and that these price increases are cumulative.

All orders with the above products shipped on or after July 6, 2018 will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Ltd.
