Price Increase Announcement TRUFAST

Effective: July 1, 2018

Dear Valued Customer:

The effect of U.S. tariffs on raw materials has been immediate, unprecedented, and impactful. As a result of these external factors, TRUFAST will implement a cost increase on the following products, effective July 1, 2018 except where noted.

Carbon steel screws – 10%

Pre-assembled fasteners – 4%

Plates – 6-10%

Bi-Metal stainless steel fasteners – 7%

Base sheet fasteners – 5-8%

DOW adhesives – 6-8% (**Effective June 4**)

Termination Bar - \$0.02/FT

Due to the volatility of the material market, further pricing increases may be required; it will always be our goal to provide as much notice as possible.

All orders with the above products shipped on or after July 1st will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
