Price Increase Announcement Fortifiber

Effective: Sept 10, 2018

Dear Valued Customer:

Due to increases in the cost of raw materials and transportation, Fortifiber Building Systems Group will implement a price increase of 5% to 8%, effective Sept 10, 2018, on a variety of products including, but not limited to, Super Jumbo Tex® and other products to be determined. Please note that this is in addition to the price increase announced for May 4, 2018 on similar products; all price increases are cumulative.

All orders with the above products shipped on or after September 10, 2018 will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc.
