Price Increase Announcement Metal Roofing and Flashing

Effective: April 13, 2018

Dear Valued Customer:

The steel industry continues to experience upward price volatility, with restrictions on imports, increased domestic steel utilization, and rising raw material costs. Due to these increases, our suppliers will be implementing a price increase of 8 to 10% on all metal roofing and flashing products, effective April 13, 2018.

All orders with the above products shipped on or after April 13, 2018, will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your local warehouse or salesperson.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc..
