

General Responsibilities

1. As a professional Super B driver, you provide a key role in the company that is critical to our branch customer service goals and success. Always striving, we are looking for more of the right people to join our team of "champions". Your primary responsibility is to transport construction materials within our Regional Branches safely and on time. Your position plays a key responsibility in supporting our branches by providing a great relationship with our customers. Your role represents a vital part in ensuring we as an organization are exceeding customer expectations. As a professional driver, you are responsible for presenting yourself in a professional manner as well as ensuring your truck is in compliance with all D.O.T. regulations and company policies. Lastly, but equally important is your role in the team approach to inventory control. Drive weekly round trip through Alberta, Saskatchewan and Manitoba servicing our seven prairie branches. Monday to Thursday (working up to 14 hours per day), home Friday. Friday will be for cleaning truck, servicing as needed and preloading for upcoming week.
