Price Increase Announcement

AL13

Effective: December 1, 2018

Dear Valued Customer:

Due to continuing increases in freight and aluminum costs, AL13 will implement a price increase, effective December 1, 2018, on the following products:

- ACM panel systems – up to 2%
 - Panel pricing not affected; accessory systems ARE affected
- V-Line 4" – up to 9%
- V-Line 6" – up to 6%

To minimize these increases, AL13 will now package and price back plates separately from components. This will reduce waste and further help with costing on jobs.

Additionally, effective immediately, Duranar coating on 12' extruded products is available for special order projects only.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Ltd.
Surrey, BC
