Price Increase Announcement

PABCO

Effective: October 1, 2018

Dear Valued Customer:

All North American shingle manufacturers have experienced significant and ongoing cost increases in areas including glass matt, asphalt, granules, and labour, as well as freight for both inbound raw materials and outbound product. As a result, PABCO will implement a price increase of 5% to 7%, effective October 1, 2018, on all residential roofing products (shingles and accessories).

All orders with the above products shipped on or after October 1, 2018 will be invoiced at the new pricing level.

Price pages reflecting these changes will be available from your account manager shortly. Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
