

Get creative with Team Convoy!

Since the emergence of COVID-19, Quebec businesses, pharmacies, grocery stores, and almost every home now has a rainbow in their window. The message that comes with the rainbow is “ça va bien aller” – everything will be alright.

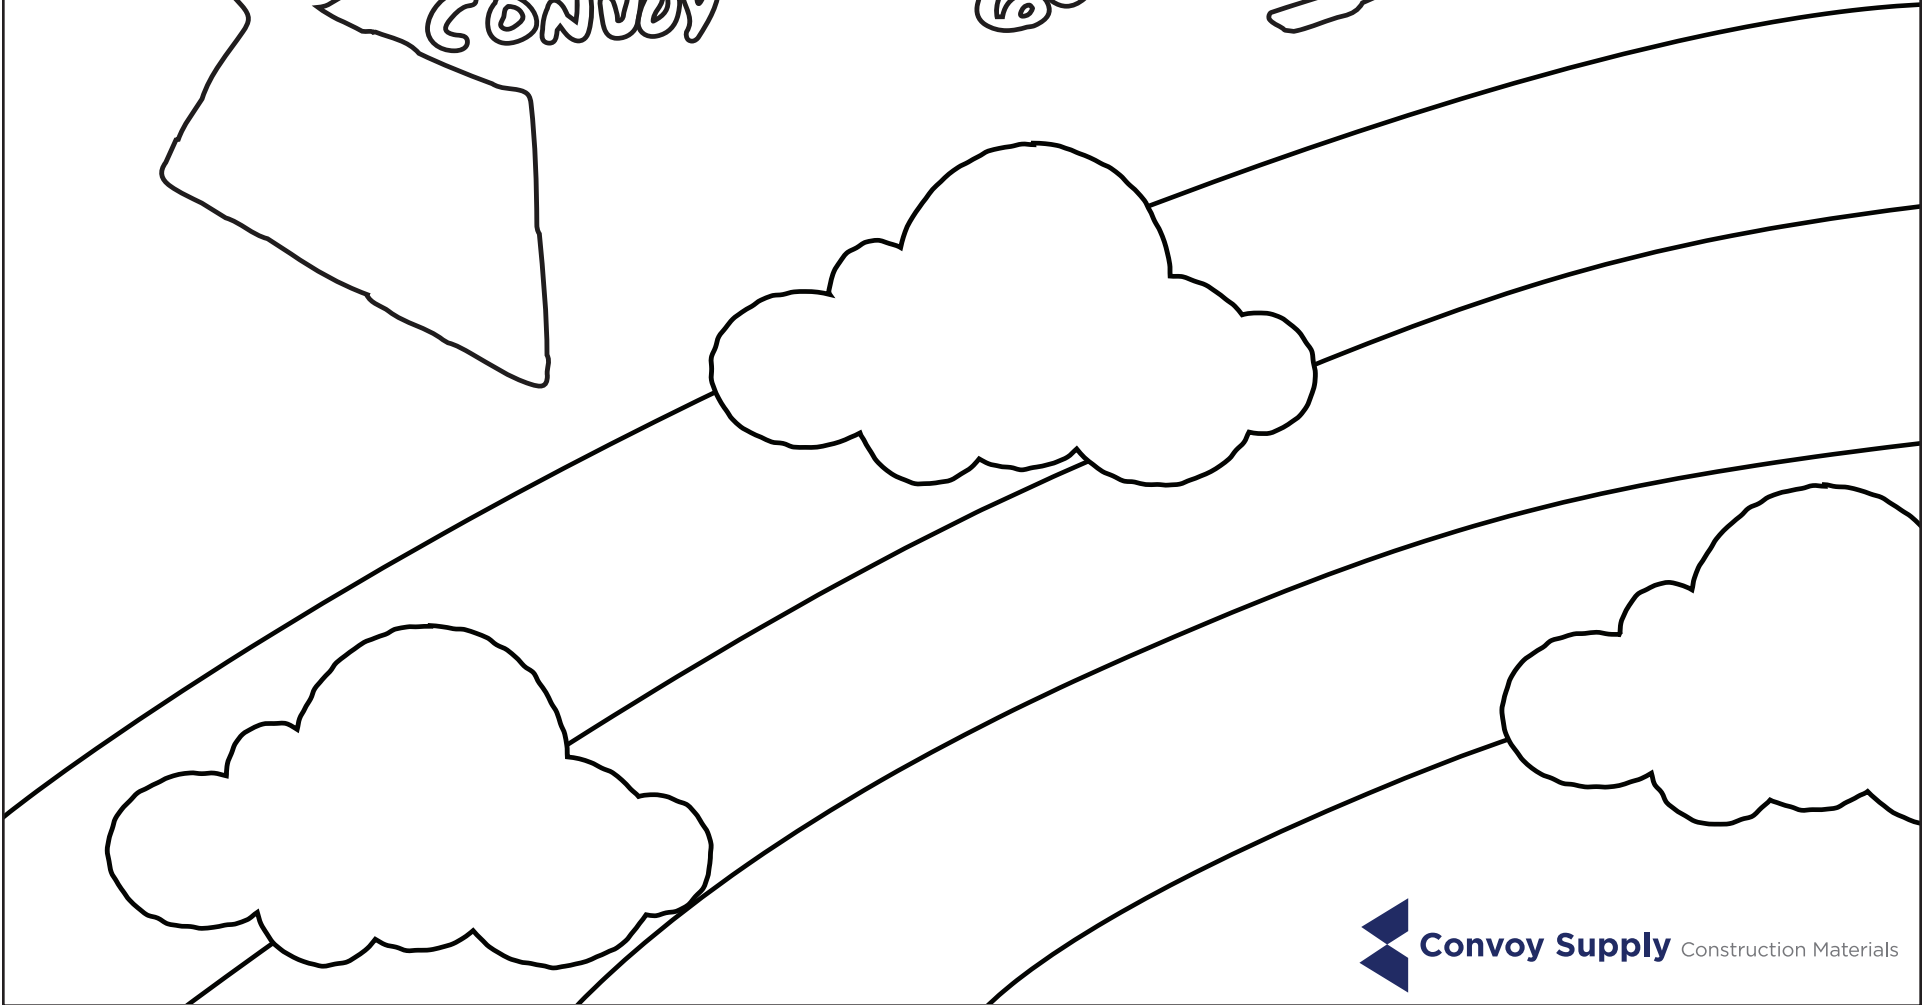

This is Liam, the son of one of our managers from Quebec. Liam wanted to share this message with all the people who work with his dad.

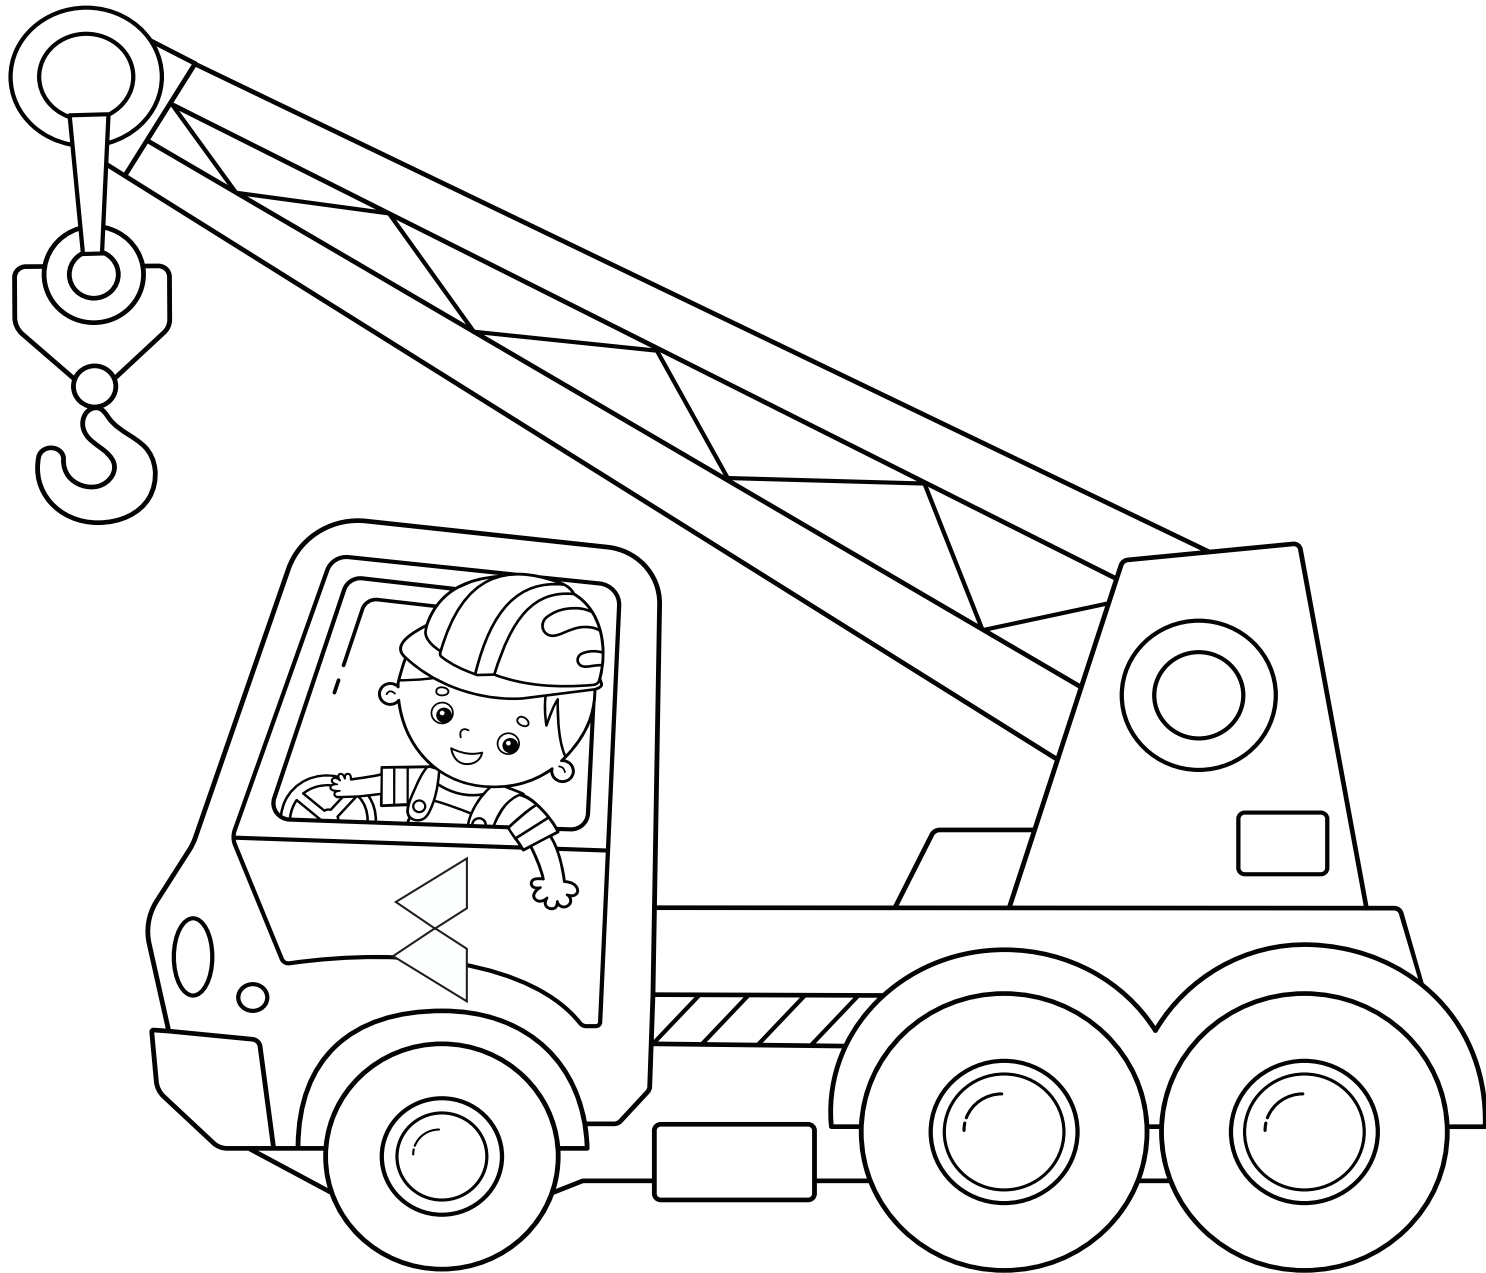

This is our way of sharing his positive message with the entire Convoy family. Team Convoy will get through this.
