

Joyeuses Fêtes Happy Holidays ¡Felices Fiestas!

To our valued customers,

Building something takes courage. Whether it's replacing a roof, putting in a subdivision, building a hospital or an airport terminal, you need courage to stand up and say, "I can make that. You can depend on that once I've built it." It's all about trust, and I thank you for trusting us to be part of your projects. We look to earn it every day.

This year we're expanding. We've broken ground on the new location for our Edmonton branch, and we've opened a new branch in Lethbridge, Alberta, with more news to come. And while new locations are very visible, we're also constantly refining how we work, all with the goal to serve you better. That's not some marketing slogan either; it's quite literally why we do what we do. We don't exist without you. We're here to make sure you have what you need, and we want to know if there's ever a way we can do it better.

Thank you for your business this past year, and we look forward to serving you in 2024. To your teams, your families, and to you, I send my warmest wishes for a happy holiday season and a healthy and prosperous year to come.

Sincerely,

MARTIN CÔTÉ
