## Price Increase Announcement

### LEISTER

---

### Effective: January 1, 2023

Dear Valued Customer:

Leister will implement a price increase of average 6%, effective January 1, 2023, on all products.

While STANMECH TECHNOLOGIES INC. ("STANMECH") has not had a chance to review the pricing impact on each individual Leister product, the average increase is in the 6% range. Effective January 1, 2023, STANMECH'S prices on all Leister goods will be changing to reflect this increase.

All orders with the above products shipped on or after January 1, 2023, will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Ltd.
