Price Increase Announcement

PABCO

Effective: April 1, 2022

Dear Valued Customer:

Pabco will implement a price increase, effective April 1, 2022, on all steep slope roofing products and accessories. Additionally, the cost of freight and fuel surcharges continue to increase the landed cost of all products. Therefore, a price increase of 8%-12% will be implemented on April 1, 2022.

Convoy Supply may limit quantities purchased as we continue to see supply constraints from all residential roofing suppliers.

All orders with the above products shipped on or after April 1, 2022, will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Ltd.
