SOPREMA

Price Increase Announcement
SOPREMA

Effective: January 1, 2027

Dear Valued Customer:

Due to the recent fluctuations in raw material and production costs, we are announcing a price increase on the following mineral wool products.

PRODUCT	% INCREASE
All SOPRAROCK products	Up to 6%
All 2-1 SOPRASMART products	Up to 5%

This price increase will take effect on January 1, 2027. The new prices will apply to orders shipped on or after January 1, 2027, regardless of any delays caused by supply limitations. Quotes for ongoing projects will be reviewed individually. Active quotes will be honored subject to their validity period.

SOPREMA reserves the right to limit the quantities shipped by January 1st.

Your revised price lists based on this adjustment will be sent to you by email within two weeks preceding their entry into force and will also be available through your representative or our Customer Service Department concurrently. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
