Price Increase Announcement Carlisle

Effective: June 07, 2021

Dear Valued Customer:

Carlisle has announced an additional price increase and surcharge increase due to "The volatility of the various supply/demand dynamics within our industry remains high. Correspondingly the costs associated with producing and shipping our products continue to increase. While the cost climate and overall material availability challenges are evolving rapidly, we continue to make all efforts to proactively communicate changes as they occur to help limit downstream disruption. Below please find actions we must take as we continue to work through these unprecedented times together."

These increases will be implemented, effective June 07, 2021, on the following products:

EPDM Membranes	6% price increase
Flexible FAST Adhesives	25% surcharge

In addition, there will be a freight surcharge. Please contact your sales representative for more details on the additional costs.

The new charges will apply to all shipments beginning June 07, 2021 regardless of the order date.

All orders with the above products shipped on or after June 07, 2021 will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,
Convoy Supply Ltd.
