## Price Increase Announcement FENCING PRODUCTS

---

**Effective: September 01, 2021**

Dear Valued Customer:

Here at Convoy Supply we are experiencing extreme market volatility with PVC and steel products. This is the 12<sup>th</sup> increase, and these increases are cumulative, which is a result of our vendors being affected by increased costs for raw materials for PVC and steel products.

In addition to what we have already seen in the market, our fencing suppliers will be implementing the following price increases on the following dates:

Supplier Name	Increase %
ADC Manufacturing	11%
Southwestern Wire	2%-4%

All orders with the above products shipped on or after September 01, 2021, will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc.
