Price Increase Announcement POLYISO

Effective: August 02, 2021

Dear Valued Customer:

Soprema, Atlas and Hunter will implement a price increase of 10%, effective August 02, 2021, on all PolyISO products.

We are experiencing continued price pressure on PolyISO products, and it continues to be in high demand. Additionally, it has been impacted by a shortage in raw material supplies. These increases are cumulative, and we expect to see continued upward price pressure in the coming months.

All orders with the above products shipped on or after August 02, 2021, will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc.
