Price Increase Announcement SOPREMA (Northeast Region)

Effective: IMMEDIATE

Dear Valued Customer:

SOPREMA will implement a price increase of 12% in the Northeast Region, effective immediately, on all SOPRA-XPS products.

Regretfully, because we continue to experience longer than normal lead times, the increase will be implemented with immediate effect and will apply to all new orders, as well as orders previously received but not yet shipped by SOPREMA.

As of now, all orders with the above products will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc.
