Price Increase Announcement CERTAINTEED, GAF & Malarkey

Effective: August 1, 2022

Dear Valued Customer:

The continued rising costs of Raw Materials, freight and labour continue to push costs higher for all Shingle Manufacturers. CertainTeed, GAF & Malarkey will implement a price increase of 8%-12%, effective August 1, 2022, on all steep slope roofing products. *Please note that these increases are cumulative.*

Convoy Supply may limit quantities purchased as we continue to see supply constraints from all residential roofing suppliers.

All orders with the above products shipped on or after August 1, 2022, will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc.
