## Price Increase Announcement Fencing Products

---

### Effective: February 01, 2021

Dear Valued Customer:

Here at Convoy Supply we are experiencing extreme market volatility with PVC and steel products. This is the 3<sup>rd</sup> increase and these increases are accumulative, which is a result of our vendors being affected by increased costs for raw materials for PVC and steel products.

In addition to what we have already seen in the market, effective February 01, 2021 our fencing suppliers will be implementing the following price increases:

- Ameristar Ornamental Iron: 6%
- Ameristar Galvanized & Permacoat Tubing: 10%
- American Pipe and Tube: 10%
- Wheatland Tube: 10%

All orders with the above products shipped on or after February 01, 2021 will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc.
