Price Increase Announcement Fencing Products

Effective: March 01, 2021

Dear Valued Customer:

Here at Convoy Supply we are experiencing extreme market volatility with PVC and steel products. This is the 5th increase, and these increases are cumulative, which is a result of our vendors being affected by increased costs for raw materials for PVC and steel products.

In addition to what we have already seen in the market, effective March 01, 2021 our fencing suppliers will be implementing the following price increases:

- Ameristar Galvanized & Permacoat Tubing: 10%
- American Pipe and Tube: 10%
- LMT Products: 5%
- Wheatland Tube: 10%
- VEKA: 10%

All orders with the above products shipped on or after March 01, 2021 will be invoiced at the new pricing level. Price pages reflecting these changes will be available from your account manager shortly.

Should you have any questions or require further clarification, please do not hesitate to contact your account manager.

Thank you for your continued support and business.

Yours truly,

Convoy Supply Inc.
